LORIN MILLER, Director

In his tenth year as Artistic/Musical Director of the Placer Pops Chorale, Lorin Miller brings a distinguished background as a solo performer, music educator and choral director. In addition to his work with the Chorale, Lorin serves as Executive Musical Director and co-founder of "A Gift of the Heart," a Placer County performing arts organization benefiting local charities. He currently serves on the voice faculty of William Jessup Uni-

versity, as well as Musical Director for Auburn Grace Community Church. A California native, Lorin grew up in Grass Valley, where he developed a deep love of music. He holds an undergraduate degree and a master's degree in Humanities, with a music performance concentration. After graduation, he produced, recorded and toured with a solo album before pursuing film scoring at UCLA. Following his successful career in Hollywood television production, Lorin returned to this area and to his love of music. Lorin has performed nationally and internationally, throughout Europe and Asia, in a variety of styles from Bach to Broadway. This extensive solo career has most recently included European tours with "A Gift of the Heart" to Slovenia during the fall of 2009, and with the Sacramento Choral Society and Orchestra to Vienna, Prague, Budapest and Munich in the summer of 2004. Lorin has performed as a tenor soloist with the Sacramento Choral Society and Orchestra. He led the Placer Pops Chorale on a four-city singing tour of Ireland in July of 2012. He is currently preparing the Chorale for its second singing tour, traveling to Barcelona in July of 2014.

WHO WE ARE

The Placer Pops Chorale, led by Artistic/Musical Director Lorin Miller, is an auditioned choral group of 65 singers that performs with its own orchestra. The Chorale puts on two major concert series each year, in May and in December, along with special appearances and benefit performances. Taken largely from the American tradition, the Chorale's music represents a variety of styles, with a strong emphasis on the popular music of the last 75 years, including the best of Broadway and Hollywood. The group is diverse in nature, and has participants of all ages. Under the inspired leadership of Director Miller, the reputation of the Chorale has soared in recent years, drawing music lovers to its dynamic concerts - often sold out weeks in advance.

OSHER LIFELONG

LEARNING INSTITUTE

The Osher Lifelong Learning Institute was developed by Sierra College in order to make their belief that learning is a lifetime pursuit, a reality. The institute offers a wide range of challenging, high-quality learning experiences for active adults. Although these courses are designed for adults age 55 and over, there is no age limit for enrollment. Any adult student is welcome.

Sierra College is one of only two community colleges nationally to receive a grant from The Bernard Osher Foundation to meet the educational needs of older adults. The Sierra College OLLI is five years old and offers over 175 classes annually for more than 4000 students. The classes are all tuition-free but do require pre-registration.

SIERRA COLLEGE

Since its founding in 1936, Sierra College has become a cornerstone of the community, meeting the needs of those it serves by providing quality education, enriching lives and helping businesses thrive. With its award-winning faculty, Sierra College is ranked first in Northern California for transfers to four-year universities, and also offers career/technical training and classes to upgrade job skills. We are proud to have been affiliated with this distinguished academic institution since our choral group was formed in 1991, and greatly appreciate its support over the years. We thank Sierra College for this, and for the generous use of rehearsal space in the Music Building on campus throughout the school year, as well as performance space at Dietrich Theatre in December and May.

THANK YOU

Producing our concerts requires an incredible amount of dedication and hard work from many people, most visibly those of us who appear on stage. However, the services of our Chorale Auxiliary are equally indispensable to the success of each performance we give. These generous volunteers, mostly family members of the Chorale, perform a variety of tasks which assist audience members in the theater and provide support to the singers backstage. Our Auxiliary members serve with enthusiasm and skill, and we want to publicly thank them for their time and talent!

A PLACER POPS CHORALE COOKBOOK!

Coming soon: "Recipes of Note", a cookbook full of fun family-tested recipes submitted by our Chorale members and supporters. For years our members and friends have prepared treats for us to enjoy during our rehearsal break times, potlucks and parties as well as concert intermissions. We are compiling the recipes for these various dishes into a book available for purchase. The cookbook will be released one section at a time starting this spring! Some of the sections to watch for are Preludes, Accompaniments, Suites and Encores. Look for the binder and first section of recipes at our spring concert and at fundraisers. Check out our website for more information. www.placerpops.org

Placer Pops Chorale: Help Us Grow!

Starting out as Sierra Community Chorus many years ago, little did the group know it would grow to the level of entertainment quality and size it is today, performing not only in northern California, but touring Europe as well.

The purpose of this non-profit (501 (c) 3) organization is to provide the members of our community the opportunity to participate in a performing arts organization and to present a variety of live, quality performances for the entertainment, education and enrichment of the greater Sacramento area and beyond.

Future plans include not only the expansion of this mission and venues, but also the opportunity to extend scholarships to talented students in our area, who would not otherwise be able to continue their music education.

We welcome donations from individuals, businesses and organizations, the levels of which are outlined below. Watch our web site at placerpops.org for ways to support Placer Pops Chorale and its cause as well as for corporate sponsors who make it possible for the group to thrive and grow. For information about how you can help, contact Grace Earl at 530-878-0226
