| SACRAMENTO GAY MEN'S CHORUS (877) 283-1567

Congratulations to the Sacramento Gay Men's Chorus as they enter into their fourth decade of creating and sharing music. Over the years, the Chorus has become known for performances that are beautiful, moving, and at times humorous. However, more important is the organization's legacy of creating a sense of community, connection, and a consciousness around LGBT people and issues.

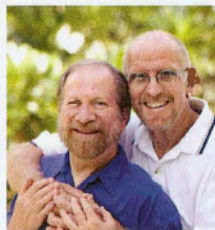

The Chorus has played a noteworthy role in fostering positive cultural changes that have spawned possibilities no one could have imagined 30 years ago. Today, we are all beneficiaries of their labor and sharing.

Yolo Hospice and Yolo CARE are proud to sponsor the Sacramento Gay Men's Chorus and we are deeply grateful for the decades of energy, vision, and courage it has taken to create such an important legacy.

SEASONS GREETINGS!

On behalf of SGMC I would like to thank you for attending "He! Ha! Ho!" our "Down-Home Holiday Show!" We hope you leave our show connected with the fond memories that make your holiday bright and that your upcoming holiday season is filled with joy, love and peace.

2016 will be an exciting and music filled season for SGMC. We we will be back at the Crest Theater with our Spring Show "Seize the Day" in May and then we will be traveling to Denver, Colorado for the GALA Choruses Music Festival over the 4th of July weekend.

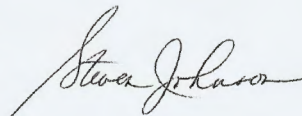

A heartfelt thank you is extended to St. John's Lutheran church for their outstanding and continued support of SGMC whereby rehearsal space is provided along with opportunities for us to sing as part of their Sunday worship services and other special musical events. I would also like to thank the host of local artists that have participated in our music journey. Valuable community partnerships, such as

these, allow for the continued fostering of our missions as SGMC and a host of community artists sings its way into the next chapter.

I invite you to check out SGMC's website for details about our upcoming concerts and special events. We are excited about everything that 2016 has in store for us as we create more and more artistic relationships within the community. "Singing our own song" is the common thread to all of our hearts; at both the holidays and beyond. The wheel of the year keeps turning and we hope to see you returning along the way!

May all the things that create holiday goodness for you and yours be abundant this season and beyond.

Sincerely,

Steven A. Johnson
Artistic Director and Conductor

A SIDE NOTE FROM THE CONDUCTOR

Please know that if you are interested in singing with the chorus you need not be gay. (You do, however, need to know how to sing) We currently have 4 straight men, and one female member, who sing in the chorus. While the chorus is mainly a group of men, who happen to be gay, we all enjoy singing a diverse array of music and creating fun and enthusiastic concerts. We are always on the lookout for new talent to become an active, committed and enthusiastic singer in the chorus. Simply contact SGMC via our website (sacgaymenschorus.org) and let us know of your interest. We will be in touch with you about the rest of the details!

SGMC ARTISTIC STAFF

STEVEN JOHNSON *Artistic Director/Conductor*

Steven Johnson is a CSU Sacramento Alumnus with a Bachelors degree in piano performance and a Masters degree in conducting. Steven is a full-time musician and he spends his time between SGMC and his post at St. John's Lutheran church where he currently serves as Director of Worship and Music. (A heartfelt thank you to St. John's for their continued support of SGMC)

Steven enjoys talking about spiritual wisdom and is on a quest to understand more fully the universal laws of creativity. "It's messy, chaotic, irritating, comical, intuitive, requires vision, fortitude, team work, 'letting go' and an inherent understanding of what you're passionate about. Music has always been a great passion and I believe fully that music transcends us to greater realms where we all resonate with the 'oneness' of who we really are."

KAY HIGHT *Principal Accompanist*

Kay is thrilled to be back for her 5th season with SGMC! Ms. Hight has worked as a pianist, orchestra member, conductor, musical director and vocalist with various performance groups throughout California, and has twice been awarded a SARTA Elly Award for her work in the local theatre community. After attending the American Musical and Dramatics Academy with a major in Musical Theatre Performance, Kay returned to her piano roots and has been

with SGMC ever since.

An administrative professional by day, Ms. Hight spends most nights and weekends rehearsing with local organizations or performing throughout the Sacramento region - and is currently pursuing a B.A. in Music. thru the University of the Pacific. She would like to thank her fiancee Patrick for his constant love and support, and hopes that everyone has the happiest of holidays!

NEIL TREGANZA *Coordinating Director/Writer/Composer*

This production marks Neil's third season with SGMC and second as Coordinating Director for the chorus. As Coordinating Director, Neil works with the Production Team (a fantastic group of folks) and is responsible for the over-arching production design - including the look, feel and message of each production. Along with managing production logistics, Neil has written scripts, music, and staged He! Ha! Ho!, Come Together, Holiday Spirit! and the 30th

Anniversary Milestones concert at the Memorial Auditorium. Neil considers it an honor to be a member of the SGMC family and appreciates being a part of creating SGMC's brand of unique entertainment.

Neil is an alumnus of Sac State (B. Mus.), a SARTA Elly Award winning composer/playwright and may be remembered (back in the day) as cofounder/Artistic Director of Sacramento's gay and lesbian theatre company The Lambda Players. Neil is President of American Funding Innovators, Inc. and a freelance caterer/personal chef. Neil would like to thank his husband for his unwavering support and apologizes for giving him first hand knowledge of what the term "chorus widow" truly means.

Our Mission: The Sacramento Gay Men's Chorus creates entertaining music that inspires its members and audience by instilling pride in our diversity and common humanity.

Our Vision: SGMC will build a community where no one will be afraid to sing one's own song.

SING-A-LONG

GRANDMA GOT RUN OVER BY A REINDEER

*Grandma got run over by a reindeer
Walking home from our house Christmas eve.
You can say there's no such thing as Santa,
But as for me and Grandpa, we believe.*

*She'd been drinking too much eggnog,
And we'd begged her not to go.
But she forgot her medication,
So she staggered out the door into the snow.*

*When they found her Christmas morning,
At the scene of the attack.
She had hoof prints on her forehead,
And incriminating Claus marks on her back.*

*Grandma got run over by a reindeer,
Walking home from our house Christmas eve.
You can say there's no such thing as Santa,
But as for me and Grandpa, we believe.*

*Now the goose is on the table
And the pudding made of fig.*

*And the blue and silver candles,
That would just have matched the hair in
Grandma's wig.*

*I've warned all my friends and neighbours.
"Better watch out for yourselves."
They should never give a license,
To a man who drives a sleigh and plays with
elves.*

*Grandma got run over by a reindeer,
Walking home from our house Christmas eve.
You can say there's no such thing as Santa,
But as for me and Grandpa, we believe.*

*Grandma got run over by a reindeer,
Walking home from our house Christmas eve.
You can say there's no such thing as Santa,
But as for me and Grandpa, we believe.*

As for me and Grandpa, we believe!

ENGLISH

*Amen
Where charity and love are, God is there.

Let us rejoice and be glad in it,
Let us revere and love the living God.
